		51,810 — 11—9

Closing Balance — 7,79,232-5-4

The following subjects brought before the Meeting were disposed of as per orders entered against each.

1) Memo No. 350, Con. 1907 & 1467 & 22nd January 1902 from the Inspector-General of Education requesting reports may be based upon such information as is available.

No alteration of the rule requiring production of the Confidential reports that Mahomedan Lady teachers may be exempted from producing Confidential reports from their Official superiors

2) Memo No. 502-Con. Asking for dispense with the production of ordinary Medical Certificates.

After a careful consideration of the circumstances set forth in the Memo, the Committee approve in reference to proposals of the general principle Any further issue. Suitable alteration

of the Rules and t
the forms of proposa
and Confidential repo
be made.

(III) Memo No. 52 for orders as to whether Policy-holder No. 3817 who has ceased to be in Government service may be permitted to continue payment of premium till his policy matures in spite of the fact that he has failed to apply for such permission within three months as required by the Rule 10

The application is rejected having been made after expiration of the prescribed time. The premium with-held should be treated as a debt against the bonus payable.

(IV) Proposal No. 5458 for further insurance; for orders as to whether it should be accepted and if so at what rates?

May be accepted at the same rates as before.

(V) — Further insurance proposal No. 6319 for orders as to the rate at which it should be accepted.

The examining medical officer may be asked to report after further examination of the proposed life re-commended penalty

VII— Further insurance Proposal No 10249 for fixing the rate at which it should be accepted and policy issued.

The Senior Surgeon whose certificate is in general terms has been asked to favour the Committee with a detailed analysis of the urine of this proposer as regards the specific gravity and the presence or absence of sugar albumen and phosphates.

VIII— Further insurance proposal No. 10052 Orders as to whether it should be accepted in the face of the fact that the proposer is suffering from fits

The Senior Surgeon may be asked to favour the Committee with his opinion based upon the symptoms described by Mrs. Amanda Rau as to the nature of the fits

VIII). Appointment of Auditors for the year 1901-1902

The Comptroller and the Examiner will by my account may be requested to depute an experienced accountant from their office to examine the books of the Insurance office and to report thereon.
